Subject: Request for meetings on behalf of Atlantic Security Bank

Importance: High

Dear Sarah:

Fernando Montero (Director), Carlos Munos (President), and Javier Maggiolo (General Manager) of Atlantic Security Bank (Miami) will be in New York on Wednesday, Feb 5 and Thursday Feb 6 and would like to schedule the following meetings.

Atlantic Security Bank (ASB) is an existing client of Lourdes since June 1997. ASB is owned by Banco de Credito del Peru (BCP). BCP has been in business for over a century, which makes it one of the oldest as well as most successful banks in Latin America. ASB is currently invested in Fairfield Sentry and all the underlying funds of the Fairfield Investment Fund. Approximate value of the total account is \$115 mm. This is the first time ASB is coming to visit FGG and our managers. ASB is very comfortable with our products and would like to know more about them in order to make potential allocations in the future.

Wednesday, February 5 - At FGG offices

1:15 p.m. Meeting with Jeffrey Tucker, Greg Bowes, Rob Blum

Lourdes would like JT, GB, RB to give ASB an introduction and new developments of our firm.

2:00 p.m. Meeting with Dan Lipton

Purpose: Discuss FSL trades.

2:45 p.m. Meeting with John Wartman

Purpose: Presentation of risk management process.

4:00 p.m. Meeting with Fischer Francis (Dave Muller or Stephen Constantine)

Purpose: Discuss FG-FTTW.

Thursday, February 6 - At FGG offices

9:30 a.m. Meeting with GMO (Richard McQuaid)

Purpose: Discuss GMO strategy

10:30 a.m. Meeting with NGA (George Putnam)

ASB has made a special request to visit Madoff. Please advise if there is any possibility. The purpose of the meeting is to know Mr. Madoff and his organization. No intention to increase its position in the FSL Fund (about \$100 mm).

Please let us know at the earliest the status on these requests.

Thanks & Best regards,

Veronica Barco for Lourdes Barreneche
